1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I reside in the neighborhood of historic Tega Cay where there is a significant proposed water rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I object to the Tega Cay Water Service rate increase for multiple reasons. Mainly, there was an 18% increase only two years ago, and there have been no upgrades or improvements in the water service. There has been no mention of what the proposed increase is going to be used for other than the utilities profits. There is no justification for another increase, especially such a significant charge.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Will attend any hearing if work schedule allows.
